“Where the earth meets craftsmanship”

Devanta Exports —

ABOUT US

A legacy carved in stone

Indian craftsmanship for the world's finest spaces

Devanta Exports is an Indian manufacturer and exporter of premium natural stone products, supplying architects, designers, builders, and stone distributors across the globe. From the quarries of Rajasthan, Andhra Pradesh, and Himachal Pradesh, we source raw stone of exceptional character and finish it in our own facilities under .strict quality control

Each slab we ship carries the integrity of the earth it came from. Our catalogue spans slates, polished slate, ledgerstone wall panels, sandstone, mosaics, and pool coping — produced in standard architectural sizes and custom-cut to project .specifications
